

**ACS Concert Tour to Boppard, Germany,  
17 to 22 July 2013.**

Stephen Roberts - Music Director, Lydia Bryan - Piano  
Kathy Duffy - Tour Organiser, Pam Moulton - Deputy  
40 singers. 22 supporters.

**The ACS tour on the Rhine  
was great, as the weather was fine;  
But not many sussed  
What was meant by "Rheinlust"  
But they knew after drinking the wine!**

**On the ACS day in Koblenz  
the heat was extremely intense;  
No one, in the choir  
could help, but perspire  
But their singing was par excellence!**

**Like Koblenz, Bad Münster was warm,  
But the choir were still in good form;  
They sang lustily outdoors  
with not one, but two encores  
-yes, truly exceeding the norm!**

**The book in the Hotel Rheinlust  
said the cable ride was a must,  
When you sit in the chair  
Very high in the air  
You just pray that nothing will bust!**

**It was quite delightful to see  
Our Steven on national TV,  
But we have heard it said,  
that it's gone to his head;  
And next season he's raising his fee!**

**Our very own poet of note  
Was very pleased with what he had wrote.  
His picture appears  
on these pages, but fears  
that locating it might be remote.**
